Others Details

The workshop was organized for final year BBA students of Data Analytics specialization. The workshop commenced from 11.00 am to 1.00 pm. The introduction and guest profile was handled by Kanchan P Jain (Student of 3rd BBA from MLA AHL). This workshop was based on Tableau Software which focus mainly on Data representation using graphical interface. The dataset used for analysis for the day was HR Data which included Employee Name, Salary, Employee Performance, Absence, Special Project and many more employee related data in a US based organization. The vote of thanks was proposed by Faiza Rubi (Student of 3rd BBA from MLA AHL).

Describe what you have learnt from this program?

22 responses

Tableau

How to make the various components of a data sheet much more simplified and effective from visual representation through tableau

Story,dashboard from tableau

How to analysis data

Content was good

Tableau HR analytics, dashboard

How to analyse big data

Useful of tableau software

Proper usage of the software

easily build complex graphs and charts

Tableau basics

About tableau software how does it works with using HR data sets we had learnt how to plot different graph and global graph, dashboard, and last story how to add up an story for the graph , this is all we learnt from tableau software thank you sir for such an wonderful session

Good usage and performance in tableau

Graphical Representation Analysis

How to create pivort table in excel graphically representation in tabeaull software

Pivot table, tableau

How to analyse and interpret the data

Easy than excel

.....

Tableau software

How often would you like to have such programs?

22 responses

Very often

2 hours

Good

Once monthly

Monthly twice

Every often when i get a chance

Engaging

Daily

Monthly once

Once in a month

Monthly Twice

Weekly once

More

Monthly once

Once in a semester

Once in year

As college decides

....

1 hour

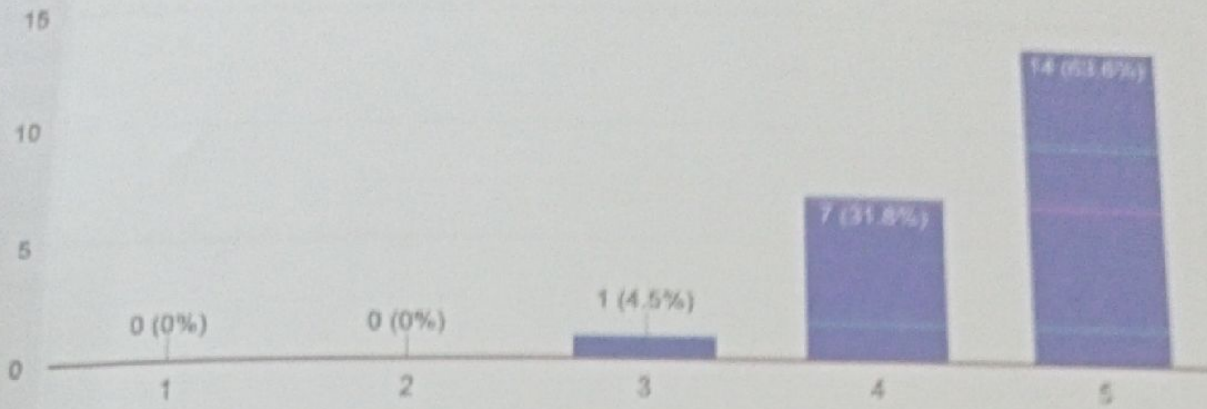

Once in a while

What is the Overall Rating for the Workshop.
