| Details | <p>The Supreme Court defined ragging in the Vishwa Jagriti matter (1999) as, "Any disorderly conduct whether by words spoken or written or by an act which has the effect of teasing, treating or handling with rudeness any other student, indulging in rowdy or undisciplined activities which causes or is likely to cause annoyance, hardship or psychological harm or to raise fear or apprehension thereof in a fresher or a junior student or asking the students to do any act or perform something which such student will not in the ordinary course and which has the effect of causing or generating a sense of shame or embarrassment so as to adversely affect the physique or psyche of a fresher or a junior student." (Raghavan Committee Report, 2007, para. 3.19).</p> <p>The anti-ragging campaign got an impetus in 1999 when the Hon'ble Supreme Court, in response to a PIL filed by the Vishwa Jagriti Mission, asked the University Grants Commission (UGC) to issue guidelines to universities to curb ragging. All Higher Educational Institutions are mandated to set up Anti Ragging Cells along with CASH and HRPC.</p> <p>In this regard, an orientation was organized for the fresh batch of students during their induction program.</p> <p>A presentation highlighting the definition of ragging and its consequences was presented to reiterate the fact that it's a punishable offence. After the orientation, the coordinator collected a signed undertaking from all the students about not indulging in ragging on campus and if so, about the consequences.</p> |
