Detailed Report	<p>The Weekly Trade Fair is a unique event to improve trading skills of the students. Students who are interested in businesses were given an opportunity to set up the stalls of different products of their choice. They should sell them to the other students & faculties of MLA Institutions. The weekly Trade Fair will be a monthly event in which the stalls will be set up every week of the prevailing month. Trade Fair for the even semester commenced on 26th June. It was successfully continued for the next 3 weeks (01st, 05th, 12th of July 2023)</p> <p>In every week, the Event was started at 12.30 p.m. in quadrangle near lift area. The students focused more on snacks items & traditional foods like sweet kadubu & shankarpoli. food, cool drinks, fruit juice, fast food. Along with food items students kept handmade knitting products & oxidised silver earrings & studs also. Students & teachers were excited with the menu & they participated in</p>

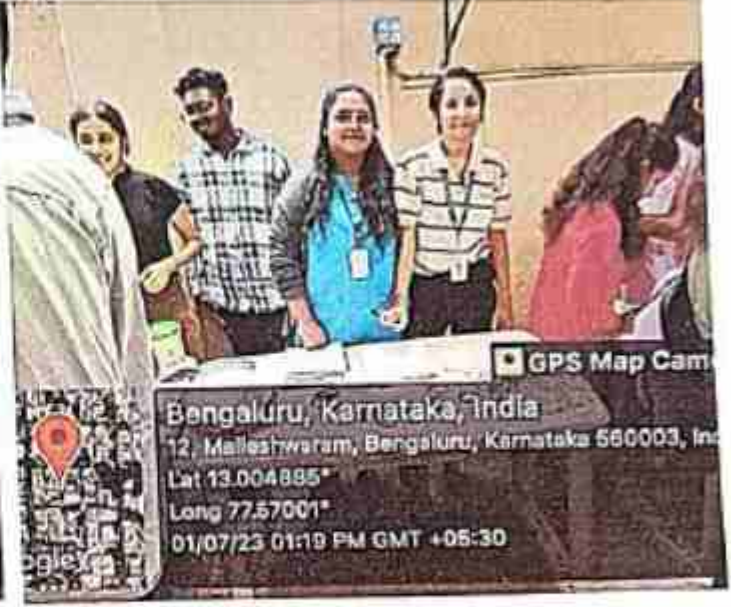

this fair very enthusiastically.

In each stall, students maintained separate dustbins to dispose the waste covers and used plates, bowls, spoons & glasses. The event was a success owing to massive participation from students and faculty from all departments. Management members & Principal were also visited in this fair and motivated the students.

Detailed Report	<p>The Department of Commerce of both AHL & FGCW students conducted a Food-fest titled “ Food Corner” on the college premises. The event was a great success in terms of a wide variety of food items and creative decoration of stalls from each class. There was a total of 6 stalls such as Mushroom biryani, Jamoon, Custard, Sandwich, Panipuri, Golgappa, Masala Majjige, Candies, Gems, Burger, Paratha, Earrings, Gua masala, etc”. It was a fine learning experience for the student organisers to acquire entrepreneurial skills. This helped the students to learn teamwork, collaboration, & creativity. Every stall did well & the students worked hard for the fest.</p>

Detailed Report	<p>The fourth edition of Wall Magazine was given to the students of I-year BDA on the topic "SAALUMARADA TIMMAKKA" in English language. They displayed the materials on 21st of June, 2023. The task was taken in a very competitive mode and BDA students brought out their best in adorning the cabinet. This particular edition caught the attention of all the passersby, and everyone appreciated the students' performance. They decorated the cabinet with leaves and twigs in line with TIMMAKKA'S contribution and achievements. Her pictures and the materials won the admiration of one and all. This particular edition by BDA students took them to be in the fray for the competition.</p>

Detailed Report	MLA AHL organised a "FKCCI Manthan B-Plan" Orientation. It was conducted at MLA AHL College campus, T- 02. Both UG & PG teams had taken part in the event. The session started at 10.00 A.M. The co-ordinator welcomed the Resource persons, then the participating teams presented their Business plan PPT. There was a Q & A round after each presentation. A briefing about every expectation from FKCCI was shared by the resource persons along with their participation experience. It was an interactive session where teams asked several doubts and the resource persons addressed all of them. Finally, the insightful session ended with a vote of thanks.

Detailed Report	<p>The FIFTH edition of Wall Magazine was given to the final year B Com students on the topic "SENGOL-THARMADANDA". This historic element and piece of great reverence is to be evinced by the students who are competing for the best prize of Wall Magazine. Students took information from open sources and added relevant pictures and models of SENGOL. They also brought in pictures and materials of PM Shri ODI consecrating the same in the newly built Parliament Hall. This edition of Wall Magazine turned out to be an interesting one as most of the readers were not aware of the history and significance of the same. Hence this has become a news item of magazine which brought enlightening news and interesting piece of information.</p>

Detailed Report	<p>The sixth edition of Wall Magazine was given to the students of III-year BBA on the topic "KANNADA CULTURE & HERITAGE" in English language. They displayed the materials on 15th of June, 2023. The task was taken in a very competitive mode and students brought out their best in adorning the cabinet. This particular edition became talk of the college and the news was posted in various WhatsApp groups and students from all other classes came to see the exhibit. The success of the post made the students of BBA to print the pictures of the magazine on their T-shirts.</p>

FEEDBACK ANALYSIS

Weekly Trade Fair

- Students are exposed to practical business experience.
- Strategies to earn profit by minimizing cost & loss.
- Students are aware of how to promote products and services.
- Students are experiencing competition.
- It builds leadership among students & promotes teamwork.

Entrepreneurship Development Orientation Programme

- Students came to know all the information regarding how to start a start-up.
- This session gave ideas about how to choose a field to start a business & how to collect all the required resources.
- Students are aware of how to manage risk while starting a business.
- Students got ideas about how to identify opportunities to start a new business.

SUGGESTIONS

Weekly Trade Fair

- Some of the students suggested to give more time to keep stalls usually Weekly Trade Fair is conducted between 1 P.M. to 3 P. M.
- Some of the students suggested to involve school & PUC students to Weekly trade Fair.
- Some of the students suggested to give the Best Stall in Weekly Trade Fair.

Entrepreneurship Development Orientation Programme

- Students expected to have at least 2 hours session.
- If we make it compulsory to attend, then it will reach out to all the students.
- Students expect analytical teaching process to give guest lecture by resource person.
- Some of the students were suggested to give Internships.
- Students are interested in attending the EDP orientation Programme at least once in a month as they are interested to attend this type of EDP Programme frequently.

Malleswaram Ladies' Association
ACADEMY OF HIGHER LEARNING

PLAN OF ACTION FOR THE NEXT SEMESTER

- On the basis of feedback & suggestions that I received from students, it will be better to extend the duration of Weekly Trade Fair from 12.30 P.M to 3.30 P.M.
- Students' involvement is more if we allow PUC & School students to participate in Weekly Trade Fair (as a customers)
- It will be very attractive & enthusiastic if the Weekly Trade Fair is arranged on a Theme basis.
- If a certificate is issued to the Best Stall Keeper that will be a motivational & appreciation factor to the students.
- Monthly one quiz competition to increase the knowledge regarding business field.
- It would be better if we conducted 2 seminars in each monthly as students are very much interested in participating EDP orientation & seminars/workshops.
- It will be better if we arrange Essay & debate competition between inter – class including both UG & PG students.

Resource Persons	CMA. Raveendranath Kaushik	
Details of the Resource Persons	Cost Accountant, Raveendranath Kaushik & Associates	
Detailed report	<p>MLA Academy of Higher Learning organised an Expert Talk on Strategic Cost Management as per syllabus of Bengaluru City University. It was conducted at Seminar Hall, AHL Campus. The session was organized for both the AHL Students and Outsider students of Bengaluru City University affiliated colleges. The Resource Person for the Session was CMA Raveendranath Kaushik, Cost Accountant. The session was started at 10.30am in the morning with welcome address by Ms Aishwarya Shivakumar (II M.Com) and Profile Reading of Resource Person by Ms Shilpa M (II M.Com). Our Principal Dr Padinaja P V address the students on importance of the Expert talk with focus on Industry Knowledge for the students. Students from various other colleges participated and also the students from I and II M.Com of MLA AHL were a part of it. The speaker covered the Topics like Basics of Cost, Expenses, Expenditure, Just In Time, Kaizen Costing, Business Process Re-</p>	

engineering. Benchmarking concepts. It was a great opportunity for the students to learn about various cost reduction techniques, and types of costing. It was one of the great learning opportunity for all the students. The session was attend by 3 faculty members from MLA AHL and 1 outside faculty from other college. Students from various colleges were part of this event, some of the examples of the students who were part from BBMP First Grade College, Brindavan College, Govt First Grade College, Malleshwaram, Govt RC College, Acharya Institute of Graduate Studies and so on. Finally the session was completed at 1.30pm by giving Vote of thanks by Ms Vasanthi (H M.Com).

MLA ACADEMY OF HIGHER LEARNING

ACADEMIC YEAR 2022-23

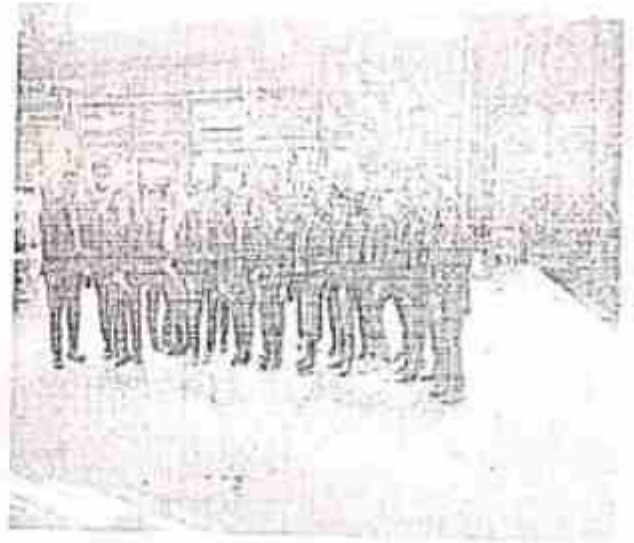

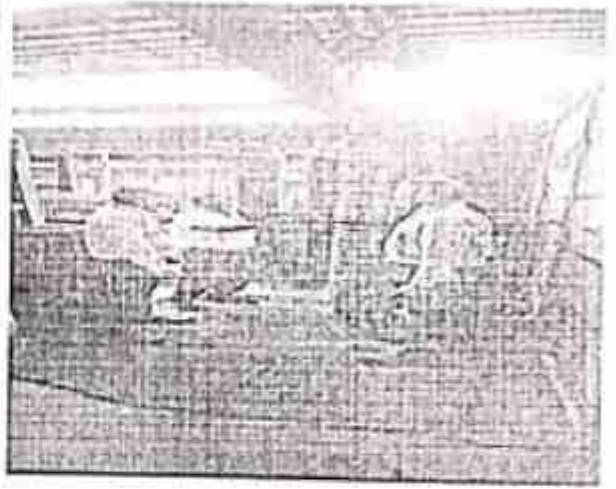

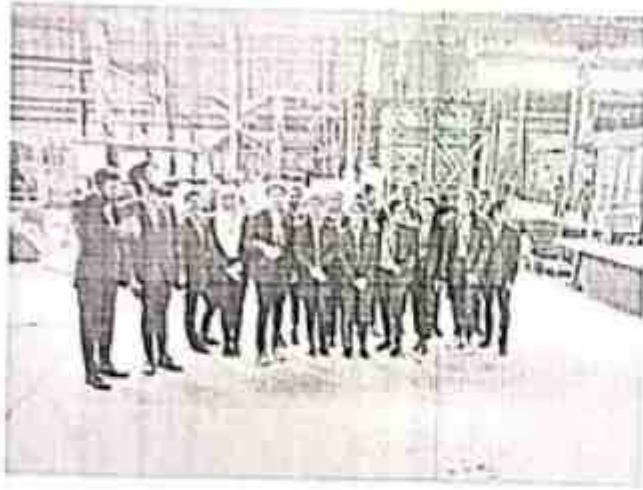

Name of the Activity/Program	Industrial Visit at Bharath Heavy Electricals Limited (BHEL Ltd)	
Name of the Forum	Campus 2 Corporate	
Date	22/02/2023	
Venue	Science Institute Post, Malleshwarani, Chir. Rao Circle, Ph.1245, Bengaluru, Karnataka 560012	
Number of participants	Teachers : --- 02 Attender : 00	Total Students: 20
Organized in association with	Campus 2 Corporate (C2C)	
Resource Persons	-	
Details of the Resource Persons	-	
Detailed report	<p>On 20th February 2023, the III BBA students of MLA Academy of Higher Learning visited the Bharat Heavy Electricals Limited (BHEL) unit at Yeshwanthpur, Bangalore. The aim of the industrial visit was to provide the students with a practical understanding of the functioning of an industrial plant.</p> <p>Arrival at BHEL:</p> <p>The students arrived at the BHEL unit at Yeshwanthpur at 2:00 PM. The group was welcomed by the officials at the reception and were taken to the conference room for a brief introduction to the company.</p> <p>Overview of BHEL: BHEL is a leading power generation equipment manufacturer in India. The company has been in existence since</p>	

1964 and has played a significant role in the development of the country's power sector. BHEL's Yeshwanthpur plant is one of its largest facilities and is involved in the production of steam turbines, generators, and other power equipment.

Tour of the Plant: After the brief introduction, the students were taken on a tour of the plant. The tour guide explained the different processes involved in the production of power equipment, starting from the manufacturing of raw materials to the final assembly of the product. The students were shown the different sections of the plant, such as the foundry, fabrication, assembly, and testing. The foundry was a particularly interesting section for the students as they were able to witness the melting of metal and the molding of the metal into the required shape. They were also shown the process of machining, which involves the removal of excess material from the metal components to achieve the required shape and size. The fabrication section was equally interesting as the students were able to witness the welding of different metal components to form a single unit. The assembly section was where the final product was put together, and the students were shown the process of how the different components were assembled to form a complete unit. The testing section was the final stage of the production process, where the finished product was tested for quality and performance. The students were able to witness the different tests that were carried out to ensure that the product met the required standards.

Conclusion:

The industrial visit to the BHEL unit at Yeshwanthpur was an informative and educational experience for the III BBA students of MLA Academy of Higher Learning. The visit provided the students with a practical understanding of the functioning of an industrial plant, which will help them in their future careers. The students were grateful to the officials at BHEL for their warm welcome and for providing them with such an enriching experience. The visit completed at 6.45 PM. MLA Academy of Higher Learning is grateful to Mr Ramprakash, who taken the initiative and given permission for Industrial Visit.

Detailed report	<p>The Skill Development Cell (SDC) of MLA Academy of Higher Learning had organized an informative visit to BIEC (Bengaluru International Exhibition Centre) on 5th IMS to First Year B. Com (Data Analytics) students for 2022-2023 batch. The Co-ordinator for the visit was Mr. Rajkumar Chavan, Asst Prof at MLA Academy of Higher Learning. Totally 32 students were registered from the B. Com (Data Analytics) Department. The exhibition was commenced from 15th September, 2022 to 17th September, 2022 and the live visit by students was on 17th September, 2022. The duration of the visit was 2 hours. The exhibition was designed in such a way that it will fetch the knowledge about the Aerospace and Defence Engineering. The exhibition additionally imparted the knowledge about the automation, robotics, drones, electronics, energy, environment, and</p>	

EV transportation. This also helped the UG students to explore different mechanisms which are not involved within the syllabus. It was an additional skill and knowledge-based visit which has gained lots of knowledge on Aerospace and Defence Engineering to students (based on feedback collected from students).

The following are the contents and the topics which were delivered to the students.

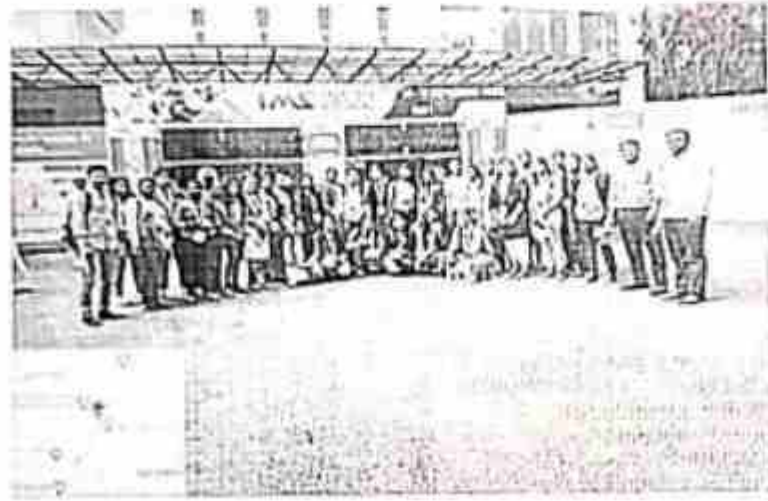

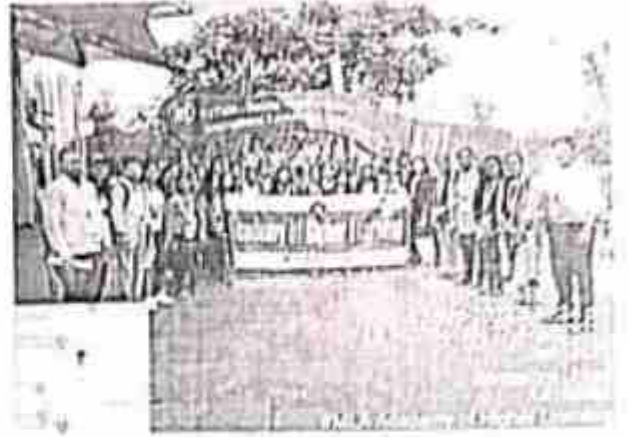

Topics Explored:

1. Energy, Environment, and EV transportation: Renewable energy, energy equipment, water and solid water, carbon trading, green buildings, electric vehicles, and charging infrastructures.
2. Automation and Robotics: Factory automation, process automation and control systems, field instrumentation and smart sensors, robotics, and drives, hydraulic and pneumatics, industrial software, building automation, edge cloud solutions, industry 4.0, and control products.
3. Auto Components and General Engineering: Metal forging machines, testing and instrumentation, welding and cutting machine, surface technologies, product development, fluid power and compressor, power transmission, quality and control, power tools, four wheelers, lubricants and petroleum products, alternate fuel technology, auto components, design modification, insurance companies and auto finance.
4. Aerospace sector: Actuation systems, additive manufacturing, aerodynamics design, surface technologies, aerospace systems engineering, avionics and cabin systems, propulsion, integrated vehicle health management, modelling and simulation, navigation, guidance, control, aeronautics, aviation, and urban air mobility.
5. Defence Sector: DPSUs, defence R&D firms, start-ups, ordnance factory, multi-function surveillance target radars and defence labs.
6. Visitors: Senior management, key personnel of core and allied sectors, government officials, students, managers, architects, engineers, ministry and training institutes, head of PSUs, dealers, distributors, plant and machinery suppliers, quality controls, consultants, researchers, contractors, builders, defence and aviation ministry, ministry of defence and aviation, trading, and marketing companies.

Others Details	<p>31st January, 2023 we 2nd year BCom and BBA students of MLA Academy of Higher Learning were out in Mysore to KSIC Silk Factory for our Industry Visit.</p> <p>This visit gave a clear picture of the whole process of how they weave the finest world famous Mysore Silk sarees. Karnataka silk Industries corporation limited (KSIC) manufacturing factory located in Mysore was established in the year 1912.This place offered a rare chance to experience and learn about each department involved in its production. And we got to understand</p>	

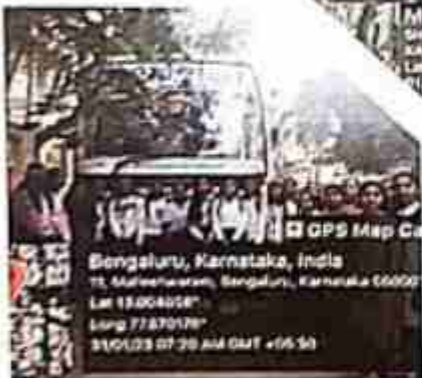

Some of the concepts from Cost Accounting subject. The staffs inside the factory were kind enough to show us through the various stages of silk threads and how the weaving is conducted.

The students were privileged to visit the industry that has been manufacturing beautiful sarees for more than 100 years.

Respected Sir/Madam

23. 3:31 PM

Yahoo Mail - Fwd: Permission For Industrial Visit

We from MLA Academy of Higher Learning plans to visit your factory and make our students get first hand knowledge of its working and production of silk sarees.

We, about 80-100 students from our college, intend visiting your silk factory to see its working. We will be accompanied by our teachers. We wish to visit the factory on 31st of January. With your permission we will plan our arrangements. So we wish to hear from you as soon as possible. We request you to kindly grant us the permission to visit your factory.

Thanking you

Yours faithfully,
Bhavani R

Dear Sir/ Madam,
Greetings of the day!

With reference to the above subject, I, Rajkumar Chavan, Assistant Professor, Department of Commerce and Management, MLA Academy of Higher Learning seeking permission for the industrial visit at your esteemed organization on the second week of April 2023. We have planned Industrial Visits for I and II M.Com students as part of the curriculum. The Total number of students expected to visit is 30, along with two teachers from college.

Kindly let us know the tentative date; looking forward to a positive reply.

Thanking you
Mr Rajkumar Chavan

To,

The Manager
TVS Motor Factory
Hosur, Tamilnadu

Dear Sir/Madam

Sub-Request for Industrial Visit for PG (M.Com) Students

The PG students of our College would like to visit your Industry as per the University specified Curriculum, to gain practical knowledge of the actual work situations.

We request you to grant us permission to visit your esteemed Organization on 17th April, 2023. About 30 students accompanied by two faculty members will be visiting your Factory.

Thanking you,

Yours truly

To,
TVS Motors,
Hosur, Tamil Nadu.

Dear Sir/Madam,

Sub: Permission for Industrial Visit-Reg.

As you may be aware, MLA Academy of Higher Learning, Bangalore is one of the most reputed Commerce and Management Institutions in Karnataka and known for its excellent record in academics and co-curricular activities. The state-of-the-art facilities and competent faculty provide an excellent climate for the all-round development of the students.

As a part of the curriculum, the students are required to undertake Industrial Visits to a few industries of repute. We feel it will be fruitful that the students with academic background have a glimpse of the industry in order to have a better appreciation of practical applications of theory.

In the above background, we would like to send a batch of about 30 students of Master of Commerce of 1st year and 2nd year accompanied by 2 staff member to visit your esteemed industry preferably in second week of April, 2023.

I request you to kindly accord the necessary permission for the above visit and arrange for guiding the students.

We assure you that our students will observe the rules and regulations that are prescribed by your company for the visitors and will in no way disturb the functioning of the company during their visit.

We shall be grateful for a favourable response.

Thanking You,

Yours faithfully,
Mr Rajkumar Chavan
Assistant Professor
MLA Academy of Higher Learning,
14th Cross, Bangalore
