The Pledge

1. I will **never over-speed**, drive dangerously or weave in and out of traffic and always slow down when approaching any junction.
 2. I will **respect traffic signals** – slow down on yellow, complete halt at red and never ever dash through a red-light.
 3. I will **never drive under the influence of alcohol**.
 4. I will **never let a mobile phone distract my driving** (by calling, texting, answering or even glancing at it while driving, for just 2 seconds of missed eye-contact is all it takes to kill someone). If urgent, I will pull over when safe after signalling.
 5. I will **never drive on the wrong side** of a road or take U-turns before a roundabout or drive on a pavement or take any shortcut that breaks traffic rules.
 6. I will **always use seat belts/helmets** while driving, and encourage all passengers to do so, understanding this can save lives during accidents.
 7. I will **strictly follow lane driving**, use indicators especially for careful lane-changing when required, overtake only from the right and not block faster traffic by driving slowly in the fast lane.
 8. I will **respect rights of pedestrians** and stop before a zebra crossing, never on it.
 9. I will **respect rights of other commuters** and give right of way: a) to traffic from right, b) to traffic exiting a roundabout, c) to traffic on the larger road, d) to traffic in oncoming free lane in case my lane is blocked and always yield to ambulances, fire or emergency vehicles.
 10. I will **respect rights of non-motorised transport**, be it pedestrians, cyclists, carts, etc. highly vulnerable to accidents, ensuring they are not at risk by my careless driving.
 11. I will **drive with special precaution near children, elders or differently-abled** and slow down to allow them safe passage.
 12. I will **never use high-beam within city limits**, realising it can blind other drivers.
 13. I will **not allow underage driving by anyone in my family**, understanding this may cause loss of life.
 14. I will **show patience avoiding needless honking** and wait when it is not my right of way; always park responsibly and display courtesy wherever possible, improving the mood on our roads.
 15. I will **influence my driver, the driver of any vehicle I am travelling in and all in my circle of family and friends to follow these safe driving habits**, and spread the fever of safety, discipline and courtesy on our roads.
- Thank you for becoming a crucial change agent on Indian roads, and for doing your bit to make a difference.

Details of the Resource Person	NA	
Others Details	<p>A special show was organized for 69 of our students in the YTT auditorium in Indranagar on the 24th of December for a memorable fun-filled afternoon.</p> <p>The show was called "THE LAST ORDER OF 2022... AND ITS A WRAP". The students opined that it took them back in time and made them remember the special moments of 2022.</p> <p>It was an interactive session and Nandini, the curator of the show made it more interesting .The actors were passionate which brought life to the play which was truly amazing .</p>	

	<p>As the year is coming to an end, the show has played a big part in reliving all the memories of the year: remembering happy and sad moments. Few students volunteered and shared their moments with them; the actors also shared their stories. It was time to sit back and relax while also having the opportunity to share this year's important moments, tough choices and the tales. It was well scripted and interactive theater. The show was a wonderful experience and memorable to carry with them for a long time.</p>

There was also a nice effort in bringing a positive attitude in the midst of all negatives that were performed.
